Student Tuition Payment Agreement (Updated 23 April, 2009)

Donor Name (please PRINT): _____

A gift of \$3,600 supports the education of one student for one academic year at Bethlehem University by providing an Annual Named Scholarship, covering the total real cost of the education of a student, including the tuition fees (about one-third of the real costs).

The tuition that a student is asked to pay is about one-third of the total real cost of his or her education.

Donors who provide less than \$3,600 to support the education of a student at Bethlehem University do not cover the full or real cost of education for a student for a year, but only part of the student's financial obligation.

Donor funds that are less than \$3,600 per student are awarded as "student tuition payment" and are not considered "scholarships."
