INTERNATIONAL PARTNERS AGREEMENT

GROUPE HOSPITALIER MUTUALISTE DE GRENOBLE (GHMG) AND FACULTY OF NURSING AT BETHLEHEM UNIVERSITY PALESTINE (NURSEBU)

The above mentioned Group and University have decided on an international partnership to promote and facilitate international Clinical Training cooperation. The purpose of NURSEBU agreement is to establish the terms and conditions under which this Training shall take place. It is understood that this Training agreement is primary intended but not limited to studies at under-graduate level.

ARTICLE I SCOPE

The partners program under this agreement, on the basis of equality and mutual benefit, may involve students, teachers, visiting scholars, educational materials and research projects.

ARTICLE II FRAMEWORK

The partners have cooperation through a bilateral agreement for Bethlehem University (BU) Clinical Training abroad program. Other agreements and activities will be welcomed.

GHMG partner will offer the following:

- ✓ *issue a "Letter of Acceptance" or equivalent. The request for admission must be processed as swiftly as possible providing ample time for the student to obtain a visa;*
- ✓ *make every reasonable effort to assist students participating under the terms of this Training agreement in finding suitable accommodation;*
- ✓ *present training programs/courses taught in **English** for the benefit of BU nursing students;*
- ✓ *coordination of the Training will be the responsibility of the International Liaison of **GHMG** to the Nursing & Health Science Department, which will appoint a personal advisor for each student, provide educational assistance to the students during the Clinical Training;*
- ✓ *arrange an orientation program for the Trainees on arrival day;*

- ✓ *issue a "Training & Participation" certificate to secure that the students get recognized credits for the Training courses/programs attended;*
- ✓ *coordinate with NURSEBU the Training Program that the students will carry out at GHMG;*
- ✓ *enable the students of NURSEBU carry out the Clinical Training;*
- ✓ *issue a certificate with an "Evaluation of Activities Performed" by students of NURSEBU.*

GHMG shall have the option of terminating the participation of a student should that student violate the regulations of the Host Group, or be found by a competent authority to have violated the laws of the Host Country. If such a case occurs, the Home University must recall its student. *As in conclusion, the work and supervision during the practical placement period shall comply with the mutual agreement between relevant Training programs at GHMG.*

BU partner will be committed to the following:

BU as the Home University shall send the names of NURSEBU nominated students and their e-mail addresses with applications to GHMG at least three (3) months before the beginning of the first semester, in which the Training will take place or by the deadline informed by the receiving Group.

BU will select candidates on basis of the following criteria that shall generally apply but may be waved in special cases:

- The candidates must have a good academic record;
- The candidates must have registered and completed at least one academic year of studies at their home university as regular students prior to the starting of the Training period;
- The candidates must be able to cope with the lectures and examinations in the language of instruction. The Home University will assess the language aptitude of its own students.

In addition to the obligations listed above, outgoing trainees are responsible for:

- Abiding to the laws and regulations of the Host Country as well as all the regulations from the Host Group;
- Filling an evaluation report at the end of the Training period at both the Host and Home University.

ARTICLE III RESEARCH COOPERATION

The partners will encourage an active cooperation in research. This goal may be pursued by various means. Relevant activities may be faculty exchange, seminars / workshops, joint projects and joint publications.

ARTICLE IV PROGRAM

NURSEBU will be eligible for practical placement according to the following program:

- ✓ NURSEBU sends and GHMG receives for Clinical Training no more than Two (2) students;
- ✓ The Clinical Training period should not last for more than one (1) month period.

ARTICLE V FINANCES

NURSEBU students will not pay any tuition fees, and GHMG will assist allocating sources of income (fundraise) to fulfill financial obligations as listed down below:-

- Paying for NURSEBU transportation, room and board;
- Personal expenses including study materials;
- Obtaining and paying for an appropriate residence permit / visa;
- Paying all expenses incurred during the period of Host Group.

- Obtaining travel insurances and paying for expenses in extra of the coverage.
- Paying for insurance against illness and accidents 24 hours a day within Host Country.

ARTICLE VI IMPLEMENTATION & DURATION
