Service Learning and Religious Heritage: Bethlehem a Witness of 2000 years for Christ's Birth, life and mission -Religious Heritage and Spirituality in Bethlehem

Content:

This presentation will highlight the importance of the Religious Heritage for the local Christians. A witness of faith for the last two thousand years. Tangible and Intangible heritage is important to preserve and teach to coming generations along with cultural heritage. The archaeological/historical sites based on the Religious Narrative has its dimension reflecting on *faith* that became universal. Also it gave a role for sustainability to many families via the tourism industry.
