

Delivering final exams to the Registrar office

Please note the following in regards to preparing and delivering a copy of your final exam to the registrar office.

1. All Final Exams **must be typed**.
2. The typed materials (**hard copy not via email**) with the completed Print Shop Form indicating number of examination copies, date and time of the exam must be submitted to the registrar office **6 working days before** the scheduled date of the final exam:

Scheduled Exam Days	Exam Due to Registrar office
<i>Wednesday 16/8/2023</i>	<i>Thursday 10/8/2023</i>
<i>Thursday 17/8/2023</i>	<i>Friday 11/8/2023</i>
<i>Friday 18/8/2023</i>	<i>Monday 14/8/2023</i>

3. This will help balance the workload for the Department Secretaries, Print Shop, and this office.
4. **Instructors** have the responsibility to **proofread** their exams **and the Print Shop Form before** the materials are delivered to this office.
5. Care and attention to the typing of the exam and careful proofreading will minimize explanations and corrections on the exam day.
6. The examination periods will be **two hours** in length. Please ensure your examination will take most of this time to complete. However, care should be taken to ensure that the examination can be completed in that period of time. If additional evaluation is necessary it should take place in the final days of the course.
7. Please take extra care at every step of the process to make sure that test questions are secure and are **NOT** leaked to students. The integrity of the examination process is extremely important.
