Bethlehem University Endowed Scholarship Agreement Form

Making a gift to provide a scholarship at Bethlehem University is a wonderfully kind and generous contribution to the future of peace and justice in the Holy Land. Thank you for considering such a significantly meaningful way to make a real difference in the lives of students at Bethlehem University.

A permanent named endowed scholarship, named in honor or in memory of someone, is a “forever scholarship,” as Bethlehem University invests your gift and uses the pooled interest earned to provide your endowed scholarship each and every year into the future, supporting the education of students (i.e. student tuition, student cultural and sport activities, technology enhancements, library resources, and administrative gift management).

With \$100,000, you can fully fund a permanent and perpetual named endowed scholarship. A minimum gift of \$30,000 can establish a base for an endowed scholarship (which may be the sum of gifts over a period of time such as 3 to 5 years – and can also be the result of a number of people pooling their donations together). Additional contributions are added to the endowment to provide proportionately more scholarship support.

I would like to name this scholarship in memory or honor of:
